

\$100 HSCA “Work for Credit” Membership Program

Each Year the Hollywood Shores Community Pool & Property must be maintained (cutting grass, trimming, weeding, mulching, cleaning, painting, etc). In addition, the Pool House, Pool, Pump House, Waterfront, Piers and associated systems are in need of repair and upgrade. In 2006 the Board recognized, and developed a program, to address this need. Specifically, it was determined that either more funding, more volunteer effort or both is required. The “Work for Credit” program allows Members to be credited for tasks benefiting the community. Policy is as follows;

- Full Years Membership must be paid in advance in order to be eligible to participate in this Program (Special exceptions will be considered if brought before the Board)
- Tasks must be performed between October of prior Year and September of current Year
- Tasks to be accomplished must be either selected from the approved list or Board Member approved (Participants may propose other tasks for approval)
- Hours per task are assigned for each task in advance (and are generous!)
- All Materials needed (Lumber, Nails, Paint, Rags, Brushes, Etc) are provided by the HSCA
- On task completion, a HSCA board member will inspect and confirm task was completed, and fill out a “Work for Credit” voucher for submission to HSCA Treasurer
- Participants will receive \$10 per Hour Credit for approved tasks
- Maximum credit is \$100 (10 Hours)
- Payment will be made by check, by the HSCA Treasurer, to participants in June and September of the current Year

HSCA “Work for Credit” Membership Program Voucher

Member Name: _____ Date(s) Task Completed: _____

Member Address: _____

Member E-Mail Address: _____

Member Phone Number(s): _____

Description of Task(s): _____

_____ Task Credit Hours: _____

HSCA Board Member approval: I certify that the task described above was completed satisfactorily and that the credit hours are accurate.
